Meet our Team

Pictured above (could he be a little camera shy?) is Tim Moore performing upgrades to our fixed wireless service. Tim has been with Quadro for 28 years, and has contributed to the success of our organization in the installation and repair department. Tim has been instrumental in supporting Norstar business systems and deploying fixed wireless technologies. Tim's daily routine is varied between new installations, repairs and assisting others, which is what he enjoys most about his job. When not on the job at Quadro, Tim can be often found at the Exter Fire Station, where he has served his community as a volunteer firefighter since 1994.
