

**Now Serving You from
82 Huron Road in Mitchell**

**Make Plans to visit our new Location
AND TAKE ADVANTAGE OF
EXCLUSIVE MITCHELL-IN STORE PROMOS**

GRAND OPENING - July 26, 2018

We look forward to meeting you!

Closing the Digital Deficient - Clandeboye

In continued support of our local communities, we are thrilled to announce that we are extending our fibre network into the community of Clandeboye. Broadband connections help rural communities thrive and increase access to economic and educational opportunities. Prospective customers in the community of Clandeboye, have been provided information on the services that will be available to them and will be contacted when we are ready to convert them to fibre technology. We are looking forward to including Clandeboye as part of our serving territory.

Graduate Cell Promo

Hey Students, congrats on a great school year. To celebrate we are offering a special promotion just for you. For a limited time we are offering a \$100 Bill Credit off any new 2-year cell activation. As an extra bonus, we'll even throw in a case to protect your device. Promotion valid with the presentation of a valid Student I.D or Report Card.

Offer Valid from June 1 - July 16, 2018. For more details, check out www.quadro.net or speak with a Customer Service Representative.

From all of us at Quadro Communications we want to congratulate Dave McBryde on 30 years of Service!

Call to book your spot now at (519)229-8933 as space is limited!

App of the Month

This summer, discover and listen to the best music with the **Spotify App.**

Spotify is a digital music streaming service that gives you access to millions of songs, podcasts and videos from all over the world and is the best way to listen to music from your smart phone. Choose from Spotify Free which is ad-supported much like radio stations or Spotify Premium, for a monthly subscription fee, that is ad free. Save on data usage by downloading songs and listening to them offline as well.

Do you have a favourite app that others would find useful? Email us at marketing@quadro.net and we would be happy to share.

Revised Hours - Please Note

Wednesday July 11th - All Quadro locations will open at 10:00 am

Thursday July 26th, our Kirkton, Lucan and St. Marys locations will be closed from 11 am to 2 pm. Come meet our staff at the Mitchell Grand Opening (see above).

Technical Support and I.T Solutions

TECH TIP OF THE MONTH

Find the Right Spot for your Router!

Wi-Fi performance can be affected by factors such as doors and thick walls. We recommend finding a central spot in your home to maximize Wi-Fi performance for every room in your home.

Do you have any Computer, I.T or Networking Troubles? We are here to Help!

Computer Repair and I.T Solutions by Quadro will help you with your day-to-day technical support troubles. We offer repair and networking solutions both in store and on-site.

For more information including the list of services we provide, please visit www.quadro.net or call us at (519)229-8933 to book an appointment today!

Call Before You Dig!

Quadro would like to kindly remind you to call ON1Call before you dig this summer.

Locates are available free of charge to all customers and construction companies in order to avoid unpleasant customer outages and associated repair bills to the party causing damage.

Whoosh!

Guilty of using your tech device at the gym, local restaurant or even restroom? Quadro is now offering Whoosh! The next generation of clean which makes it easy to practise good tech hygiene on the go. Whoosh is safe and effective for all devices. It is non-toxic, odourless and resists fingerprints! **Stop by any location and give it a try, it would be gross not to.**

Baconfest 2018

Quadro will once again be providing a picnic/rest area at this year's BaconFest(July 14th) on the lawn at our Lucan office, 159 Main Street.

SmartHub

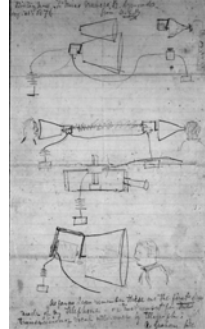

Did you know that you can pay your bill using Quadro's Smart Phone App!

Download the Smarthub app to view and manage your account details, make secure and instant payments, notify us of any service issues and more!

Make the switch to Smart Hub and go paperless for additional monthly savings!

Check it out today on the App Store and Google Store!

This Month in Telecom History

Alexander Graham Bell stated that July 26, 1874 was the day that inspiration struck in the creation of the telephone. During a summer visit in Brantford, Ontario he made a stop at the Grand River. Bell reflected on the sound waves moving through air and realized with electricity and by controlling the intensity of the current that "it would be possible to transmit sounds of any sort", based on this early theory; he sketched his first design of the telephone.

Meet our Team

Beau Bree (pictured above on a nice sunny day) has been with Quadro for almost 6 years, after spending 5 years working for Mitchell Seaforth Cable. Beau's day comprises of numerous installs and repairs at customers' homes. When not working at Quadro (during the winter season), Beau can be found at the arena; cheering on one of his kids teams or helping coach. When he does have some time to himself (especially during the summer) Beau enjoys fishing and being outdoors.
