

23rd Annual Meeting Update

On April 12th, 2018 Quadro held its 23rd Annual General Meeting for members at the Kirkton-Woodham Community Centre. Highlights included a review of the 2017 financial statements, plans for continued expansion of our fibre network and recognition of our corporate achievements. Guest speaker, Constable Laura Brown provided a very informative talk on Cyber Safety and its impact in our local communities. Members present, elected Stewart Slater as the newest director and John Alderman was re-elected to represent members on the board. Special thanks to all those in attendance, as well as those who expressed interest in serving on our Board of Directors. Your interest in your Co-operative is most valued and appreciated. Members may log into the members portal at anytime to view posted documents pertaining to the Annual General Meeting at <http://www.quadro.net/member/>.

Blue Jays Game Special Notice!

MLB has signed an exclusive deal with **Facebook Live** to broadcast the **May 24th** Blue Jays game against the Los Angeles Angels. For that day only the Jays game will be on the **MLB Live Facebook** page and not aired on Sportsnet.

Fibre Customers Please Note

In the event of a power failure, customers who have fibre to the home have a battery for backup power for up to 6 hours of direct wired telephone use. Once power is restored, the battery will begin to recharge.

Meet our Team

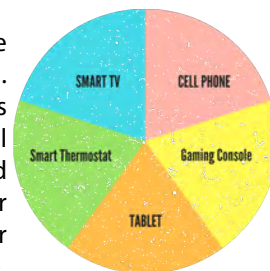

Dan Jacobs - Outside Plant/Repair and Installation

Initially joining Quadro 4 years ago to assist with the deployment of fibre cable, Dan's current focus is with installation and repair of residential services. When asked what he likes most about his job, his response was the variety of tasks and challenges that each day brings. When he's not on the job, he values time with his family and enjoys camping in the summer and hunting in the winter.

Internet Questions

I have multiple devices running on Wi-Fi but my connection seems to be laggy?

Running multiple devices in your home over the internet requires a faster connection speed. Think of your internet as a pie. The more devices (pieces of the pie) you have connected will lower the speed going to each device. To avoid frustration, consider upgrading to a higher internet package. Please contact one of our customer service representatives to learn more.

Pick up your own **Calix Gigacenter** from Quadro and receive unprecedented performance in wireless speed, reliability and coverage that reaches throughout the entire home.

With the Gigacenter, you have control over all the devices in your home that are connected to the Wi-Fi and also supports speeds up to 1 Gbps.

Buy or Rent one Today and Experience the Difference!

Phone or Internet Scams

If you think you've been a target of any type of phone or internet fraud, you can report the activity to the Canadian Anti-Fraud Call Centre by calling 1-888-495-8501.

Our Quad Squad Service can also help if you feel your personal computer has fallen victim to viruses due to internet scams.

For more information visit www.Quadro.net/quad-squad or call us at (519)229-8933 to book an appointment today!
