Quadro's 22nd Annual Meeting was held at the Kirkton-Woodham Community Centre on April 14, 2016. The sixty-two members present were provided with a progress report of ongoing activities within the Co-operative, in addition to the presentation of the 2015 Annual Financial Statements. Russ Barker was elected as a new director and Stuart Arkett was re-elected to serve on the board by the members present. Cindy Bilyea was recognized for fulfilling nine years of dedication and service on the board. At the May board meeting John Alderman was elected Chair of the board and Dennis Manarey was elected as Vice Chair. Following is a list of the current Board of Directors for Quadro.

## Congratulations to Ron McNaughton on his 44 years of service with Quadro

It is with mixed emotions we announce the retirement of Ron McNaughton on Dec 31, 2015 after 44 years of service. Ron was an integral part of the planning and evolution of Quadro's infrastructure since his first day on May 15th, 1971 and his achievements will not be forgotten. We wish Ron the very best in the next steps of his journey. Enjoy your retirement Ron!!!

## GO DIGITAL! - Important Notice Regarding Classic Cable TV Service

**Channels 7,14,30,36 & 39 will be removed on July 4th 2016.** Please note customers who already have digital boxes installed where TV's are present will not be impacted by this change. To view a detailed schedule regarding the removal of upcoming analog channels, please visit [www.quadro.net/tv-changes](http://www.quadro.net/tv-changes) or speak with a Quadro Representative for details.

As technology evolves, Analog TV signals (TV connections without a Digital Set Top Box) are quickly becoming a technology of the past. Quadro Classic Cable subscribers and existing Digital Max subscribers that have access to a classic service on TV's where no digital box is present, please be advised that additional channels are slated to be discontinued on this platform this summer. To avoid future programming disruptions, we are encouraging customers with Quadro TV to upgrade to our Digital Max service paired with a HD or HD DVR Set Top Box to continue viewing your favourite channels and programming.
