THE NEXT GENERATION

Watch On ALL Your Devices
Download the Q tv From Quadro app on your android or Apple devices including phones, tablets and laptops. Watch from your backyard, bedroom, garage or wherever you're connected to the home Wi-Fi.

Bring Your Own Device
Q tv From Quadro works on your favorite devices, like Amazon Firestick or Apple TV. That means you don't need to rent set-top boxes OR pay those monthly fees. With Q tv From Quadro, you can Bring Your Own Device (BYOD) and access content using a simple app that resides right next to your favorite streaming apps.

Record & Watch Later
Record up to 10 of your favourite shows at once and playback from any device in the home on your Cloud DVR. Record up to 200 hours (5 hours included) of programming on any device in your home.

Pause & Rewind Live TV
Because life is busy! You no longer have to wait for a commercial break to grab a snack or a bathroom break. Pause and rewind live TV for up to 1 hour.

Lookback
Missed the game last night? Replay / Restart select channels to watch from the beginning of the program. You can 'Lookback' up to 36 hours on select channels* so no one misses out.

Profiles & Parental Controls
Create up to 5 individual profiles for your household. Customize your viewing preferences and Q tv From Quadro will recommend programs based on your viewing history.
