

Please Welcome Darryl Evans As Quadro's New General Manager

It is with great pleasure we announce Darryl Evans has accepted the role of CEO/General Manager effective July 4th, 2022.

We would also like to thank John DeHeer for his years of service and wish him the best of luck in his retirement in late 2022.

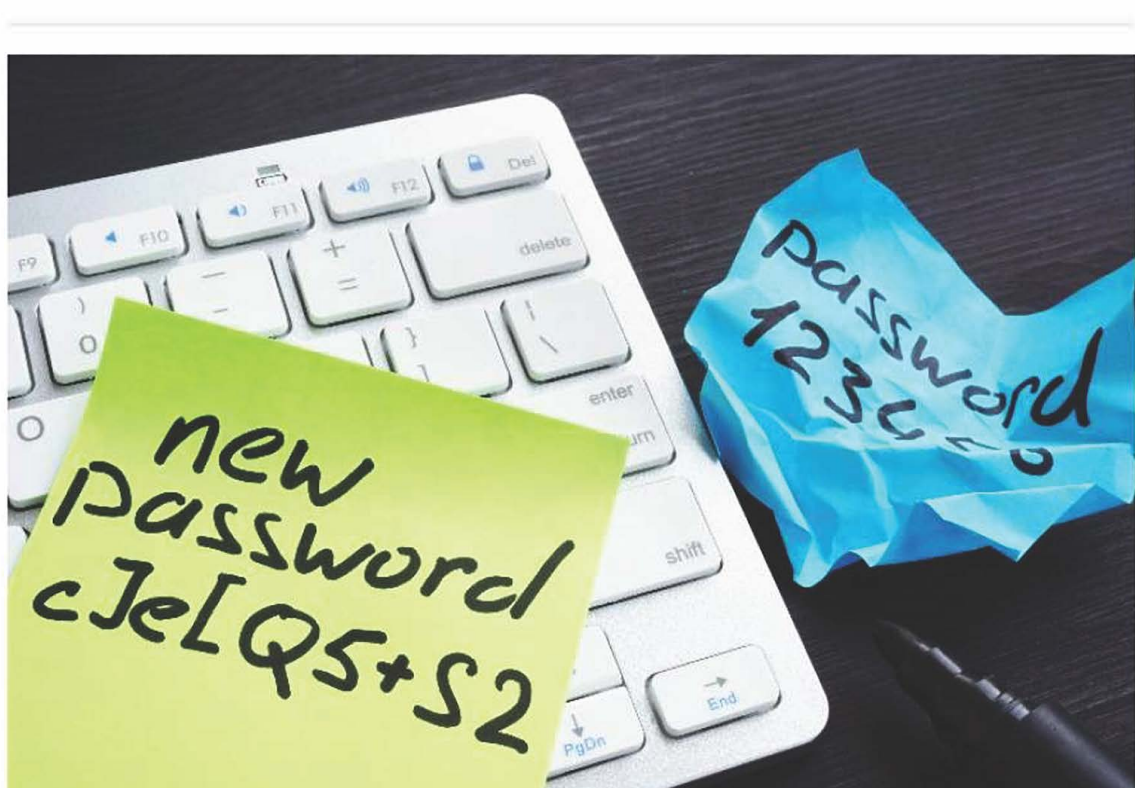

Darryl spent seven years as the Director of Quality Control and Research & Development for Foremost Foods Ltd. in the early days of his career. After which he spent 23 years in Telecommunications with BCTel, TELUS, Bell Canada, and Northwestel in many roles from Logistics, Sales, Marketing, Sales Operations, and Infrastructure. He comes to us with many years of management experience and business acumen.

Darryl currently holds a B.Sc. in Chemistry & Mathematics from the University of British Columbia, a Marketing Management Diploma from the British Columbia Institute of Technology, and an MBA in Finance from the University of Phoenix.

Darryl looks forward to working closely with the amazing Quadro Communications Board Members, leading & supporting the wonderful Quadro Communications Team members, as well as joining and serving the community.

Please join us in welcoming Darryl to Quadro!!

Never Share Any Of Your Passwords

Beware of phishing attacks – Phishing is when someone poses as a legitimate organization and attempts to get information such as a password. Quadro will **never** ask for your password. It's always a good idea to never share your password or any other sensitive information with anyone.

When it comes to security and privacy, a strong password is the first step in keeping information secure. Common signs of phishing attempts are: requests for personal data, login credentials or credit card information; unreasonable threats; sense of urgency; and suspicious URLs. Phishing attempts can also happen over social media, through messaging apps, text messages, etc.

Password Tips:

1. Create a strong and unique password with a minimum length of 12 characters, upper and lowercase letters, numbers and symbols.
2. Change your password regularly (every 90 days).
3. Never reuse passwords on multiple accounts.
4. Do not share your password with anyone.
5. Do not store passwords in a place that can be easily seen or accessed.

If you have questions or would like to ensure your devices are secure, please contact [Quad Squad](#) today.

2022 Fibre Projects

Quadro continues to expand our network in 2022 with SWIFT and UBF funding from both the Provincial and Federal Governments. Get up to date info on our latest projects at [Quadro Fibre Projects](#)
