APPLY TO THE CO-OPERATIVE YOUNG LEADER SUMMER PROGRAM TODAY!

Co-operative Young Leaders is a summer camp experience unlike any other for youth ages 13 to 18. This week-long camp brings youth participants together and empowers them to be *Explorers, Trailblazers and Visionaries*, while equipping them with the change-making tools and skills they need to succeed in the world. Our co-operative mentors work with youth participants to embrace and enhance their leadership potential. Participants develop self-confidence, learn from inspiring leaders about communication, team-building and leadership skills through co-operative activities. One part traditional camp experience and one part experiential education, this program takes youth out of the classroom environment and lets them lead. Potential participants can read more information about the program by visiting the [Ontario Co-operative Association website](#).

We recognize that COVID-19 and other associated social issues have impacted youth in many different ways. At CYL we provide a safe environment that follows the COVID-19 Safety Guidelines for overnight camps as outlined by the Ontario Ministry of Health. It is the policy of the Ontario Co-operative Association that all participants, facilitators and staff be fully vaccinated.

For more information please visit [Quadro Leadership Grant](#). Please forward your letters of interest no later than **Thursday March 31st, 2022** to the Quadro main office located in Kirkton or by emailing: customer.care@quadro.net.
