The Annual General Meeting took place virtually again this year on the evening of Thursday March 10th, 2022. This well attended event saw a new board member elected and the Board Chair re-elected.

Congratulations to our newly elected Director Paul Krevs and to Russ Barker, Board Chair, on his re-election to sit another term. Paul brings a wealth of computer network engineering, information technology and professional experience to the board.

We also would like to thank nominees Don Corby and Fern Pridham for their interest in the Quadro board.
